PLEASE NOTE: the games that can get kids through the fastest typically earn higher profits! Game booths typically earn \$100 each so sign up for more booths to really get your fundraising on!!

The Old Settlers committee will provide prizes for each game booth.

These prizes range from stickers to big inflatable toys.

At this time we plan for the tickets to cost \$.50 each with the purchase of an Old Settlers button and we ask that each booth charge only 1 ticket per game (unless otherwise approved by the committee).

We HIGHLY suggest each team use a canopy tent to separate their booth from others and to provide shade. The Old Settlers committee has a very limited number of tents to loan out on a first come, first serve basis. Each team can create signs with their group/business name along with the name of the carnival game. You may also hand out flyers, cards, etc. (needs to be approved by the committee) in the prize bags that kids will receive. Each team will be given a container for tickets, which will be collected by the committee after the conclusion of the event. Tickets will be counted and each booth will receive 100% of their profits!

We will also have a dunk tank, jail, food vendors, kids karaoke, live music and other fun attractions!

Our goal is to boost button sales but MOST OF ALL to **get the community out to enjoy Old Settlers!** They will come out to support all of you...and you get a great summer fundraising option and the opportunity showcase your group or business to the community! IT'S A WIN-WIN!
